M. H. CRUIKSHANK, EDITOR.

THURSDAY, Jan., 14, 1864.

The friends of Captain JOSEPH McLANN, announce him as a candidate for County Commissioner of County Revenue. Election 15th of January.

Again we have good ready for the Field.

The renowned John H. Morgan has visited Richmond since his escape from prison, and met a reception which must have been gratifying even to a brave, daring and gallant soldier. The Confederacy has no disposition for ease or idleness while the enemy is at our door. He is again eager for the field and desires to congratulate his command with the least possible delay.

Many of the gallant spirits who have served with him in his brilliant campaigns have escaped from their short captivity and are rushing to his standard.

Everywhere throughout the land young men who have fight in them, are in earnest, desire to enter an active dashing service where glory may be won, have their eyes fixed upon John H. Morgan. Never was a better opportunity offered to young men who wish to serve their country and win distinction. Those who have had substitutes in the service and are now called to take the field themselves, could not have desired a more fortunate or favorable opportunity. Secure a good horse and rally to the standard of John H. Morgan.

We are gratified to be able to state that Capt. Ray of Gen. Morgan's staff is now on a visit to our place with a view to ascertain what can be done by way of obtaining troops to fill up the General's new command. Let all, who would enter the service, call and see him.

Micah Taul, Esq., of our County and others are engaged in raising companies with the view to organizing a Regiment for Gen. Morgan.

Let the men be raised at once and let those who have horses mount them.

A destructive fire occurred in Newnan, Ga., on the night of the 2d inst. Loss estimated at about $10,000.

IX. 2nd Lt. B. M. Huey is authorized to raise on Infantry company to be composed entirely of boys under the age of eighteen years, to be mustered into the service of the Confederate States, for three years or the war, and to be used for guard duty in the State of Alabama.

JNO. C. BURCH, A. A. G.

TO YOUNG MEN
Under 18 years of age.

I have received authority from Gen. Pillow, to organize an INFANTRY Company, of young men under eighteen years of age, to be stationed at Selma, Ala. for

PROVOST GUARD DUTY.

I have assurances from Gen. Pillow that the members of this company *will not be liable to conscription on becoming eighteen, nor will they be included in the militia draft.* The probable extension of the conscript law from sixteen to fifty five, and the need of more troops in our armies, point this company out as one particularly desirable to young men, desiring an easy, and at the same time, *honorable* service. I will be placed upon the same footing as troops in the field, as regards *pay, clothing, &c.*, good quarters and uniforms will be secured, and parents entrusting their sons to this company, may rest assured that every attention to their health and comfort will be given. Those desiring to join will report to Lt. W. R. M Slaughter, Gadsden, Ala., or Lt. H. S. Hammond, Camp Buckner or to myself at Talladega, Ala., and a furlough will be given them until the 15th January—on which day the election for officers will be held, and the company mustered into service.
